

Prices

****** This was written several years after the trip and most daily expenses were not recorded.**

Total US Dollars US\$738.00 (might not be everything)

Total Chinese Yuan 3519.7 Yuan (did not record prices on several meals, transportation, etc. - this might only be about 1/2 the actual)

\$1 US \approx 8.2 Yuan

3519.7 Yuan * (1 US/ 8.2) \approx \$429.23 US

Total spent in US dollars:

\$738.00 + \$429.23 = \$1167.23

(1\$US = 8.2 Yuan)

Cost => Description => location

Days 0, Thursday, April 28, 2001
